

**20th Annual
Paso Robles
Olive Festival &
16th Annual
Lavender Festival**

Continue the celebration of 20 years of Olives and 16 years of Lavender as these industries continue to emerge on California's Central Coast. We continue the celebration of both of these industries on one eventful day for the 3rd year!

Attendees will enjoy Olive Oil Ice Cream while they browsing featured Olive Oil and Lavender products from San Luis Obispo and surrounding counties. Join the Paso Robles Downtown Main Street Association as we welcome guests to taste olive oils, olive tapenade and learn about lavender plants and products.
